

Homework- September 24th

- 1) Read nightly - Use Raz-Kids at least 2x this week.
- 2) Practise your Word Wall Words.
- 3) Visit Zorbits this week at least 2x.
- 4) Complete the Math and Literacy activities below.

Math

Complete "How Many Ways" for the number 15 or 25 in the space below. (Use a number story - challenge yourself - can you add and subtract? Eg $45 - 25 + 5 = 25$)

Literacy

During your nightly reading, record any time order words (**first, next, then, finally, soon after-** words that tell when events are happening) and **adjectives** (describing words) that you find in the chart below.

<u>Time Order Words</u>	<u>Adjectives</u>
