

Homework November 12, 2018

- 1) Use RAZ-Kids and Zorbits 2X this week.
- 2) Complete the Literacy and Math activities below.

Literacy:

Complete the sentences below using the word wall words from this week.
(your, you're, didn't, doesn't, don't, our, hour)

This week we _____ have any leftover pizza on pizza day.

_____ class collected a lot of food for We Scare Hunger

Please make sure that you finish all of _____ homework so that
_____ ready to hand it in on Thursday morning.

We spent an _____ outside playing on the play structure

Make sure you _____ forget to bring your library book back to school
this week.

It _____ take much effort to spread a little bit of peace each day
of the year.

Math

Solve the word problem using strategies that we have shared in class (number line, friendly numbers, "w strategy"- (tens/ones), place value chart, number line, standard algorithm). Remember to include a therefore sentence as well.

Mrs. McCuen's students spent 55 minutes working on their pointillism art pieces. Mrs. Brownrigg's students spent 57 minutes working on their pointillism pieces. What is the sum of minutes spent on pointillism artwork by these two classes? Justify your thinking in the space below.
