

Homework-December 10th

- 1) Read nightly - Use Raz-Kids at least 2x this week.
- 2) Visit Zorbits this week at least 2x.
- 3) Complete the Math and Literacy activities below.
- 4) Remember to bring in your Christmas Hamper Item

Literacy:

Read a non-fiction book this week. (use Raz-Kids if needed).

List the nonfiction text features you see (eg. glossary, captions, subtitles etc....).

Name of Book: _____

Math:

The difference between two numbers is 25. What could the numbers be? Create a number story to show your thinking.

--

Ella read 67 pages of a book and Sean read 55 pages of a book. Charlotte says she read 45 pages. How many pages did all three read altogether? Show your thinking.
