

### Homework for January 14th, 2019

1. Visit RAZ-Kids and Zorbits
2. Read each night.
3. Complete the questions below.

In Language we have been working on adding suffixes to words. Below add ing and ed to the words listed. Remember the rules. Words ending in one vowel followed by one consonant you double the final consonant if suffix begins with a vowel. Words ending with a silent e, drop the e if suffix begins with a vowel.

Word	Add 'ed'	Add 'ing'
hope		
stop		
jump		
laugh		
rot		

During your reading this week, be a "suffix" detective. Record the words with suffixes in the chart below.

Word	Root Word	Suffix Added

### Math-

Mrs. McCuen says that a polygon is a trapezoid if it is a quadrilateral. Mrs. Brownrigg politely disagrees with her. Who is correct? Defend your position.
