1) What is Blues music all about?

<u>Literacy</u>

Read the paragraph below and answer the questions in a complete sentence.

If you love music that is all about feelings, then you'll love the "Blues." Blues music has been around for a long time! Some instruments used in blues music are electric guitars, pianos, trombones and even something called a "Diddley Bow." One way that you can learn more about the blues is to get your principal to look into a program called "Blues in the Schools." You'll be singing the blues in no time at all!

2) Name some instruments that can be used to play "Blues" music? Use
details from the text to support your answer.
3) What can students do if they want their school to learn about the Blue Use details from the text to support your answer.
Math 3 says that 45 days is equal to 5 weeks. Is she correct? Yes or No? Justif hinking in the space below.
