Literacy

To compliment our Literacy Program, we are asking you to read the Thanksgiving poem with your child and help him/her to **circle** all the **rhyming words**. Then, in the box beside the poem, please have your child use clues from the poem to draw a picture of what he/she is visualizing in his/her head as he/she reads the poem. Please make sure it is **coloured** neatly.

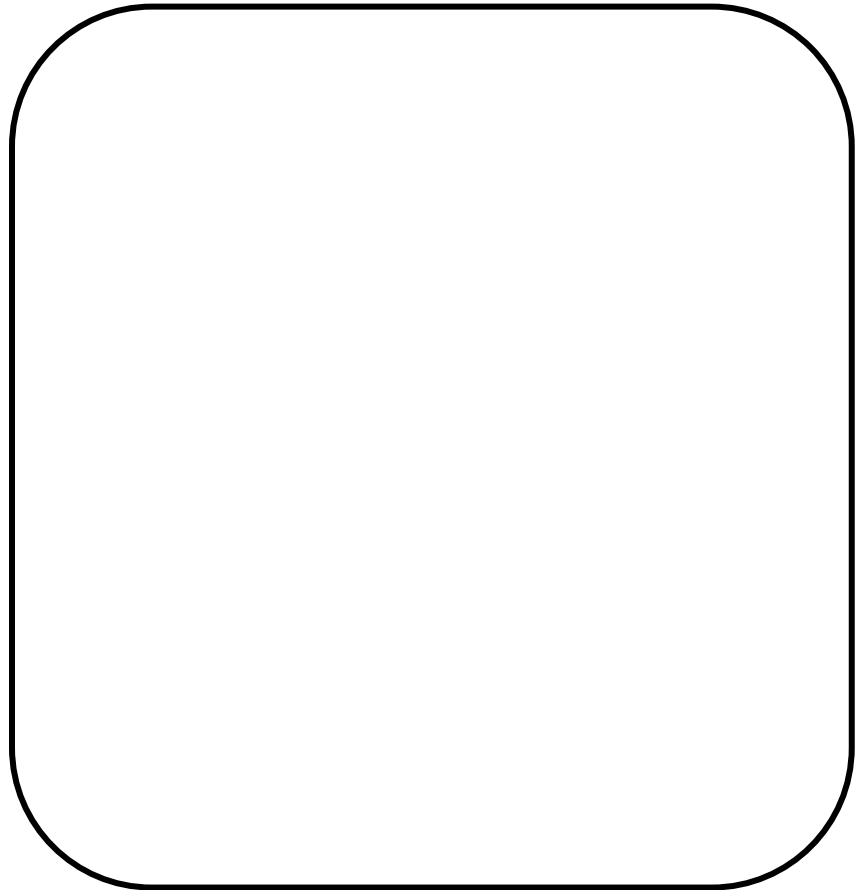

Thanksgiving

By O. Eastwick

Thank You
for all my hands can hold –
apples red, and melons gold,
yellow corn
both ripe and sweet;
peas and beans so good to eat!

Thank You
for all my eyes can see–
lovely sunlight, field and tree,
white cloud-boats
in sea-deep sky,
soaring bird and butterfly.

Thank You
for all my ears can hear–
birds' song echoing
far and near,
songs of little stream, big sea,
cricket, bullfrog, duck and bee!

Math:

Show the number 345 in two different ways using base ten block drawings on the back of this sheet. You may want to use a place value chart.
