| 91 | 92 | 93 | 94 | 95 | 96 | 97 | 98 | 99 | 100 |

The pattern rule is: Start at 4 and add 5 each time.
I see these patterns:

$\xrightarrow{\text { Here is the pattern: }} \quad$| 4 |
| :--- |
| 9 |

I also see a pattern vertically down the 4 th column.
The ones column is always 4 and the tens column increases by one.
I also see a pattern vertically down the 9th column.
The ones column is always 9 and the tens column increases by one.

Ones column is a repeating pattern It goes 4,9,4,9,4,9

Tens column is a growing pattern It goes 1,1,2,2,3,3,4,4, and keeps increasing till it gets to 9

| July |  |  |  |  |  |  |  |

| 6 | 7 | 8 | 9 | 10 | 11 | 12 |  |
| 13 | 14 | 15 | 16 | 17 | 18 | 19 |  |
| 20 | 21 | 22 | 23 | 24 | 25 | 26 |  |
| 27 | 28 | 29 | 30 | 31 |  |  |  |

The pattern is: $2,7,12,17,22,27$
The pattern rule is begin at 2 , add 5 each time.
I also see a pattern in the ones column it goes 2,7,2,7,2,7 and keeps repeating I also see a pattern in the tens column-at first it's nothing in the tens, nothing in the tens, then it's 1 in the tens, 1 in the tens, 2 in the tens, 2 in the tens-it will keep increasing by one
