

Ways to show/represent a number:

Number: 341

1. Use words: three-hundred forty-one

2. Use place value blocks 

3. Use the value of each digit
3 hundreds 4 tens 1 one

4. Use a place value chart

hundreds	tens	ones
3	4	1

5. Use an equation $300 + 40 + 1 = 341$
 $300 + 41 = 341$

6. Use a number line:
